Company under Corporate insolvency resolution process by NCLT Order, dated August 9, 2017

The list of financial creditors is based on proof of claims received and is subject to update, modification and variations based on on-going verification. We have received and collated over 22000 claim forms received over emails and hard copies and the reconciliation of claims is ongoing. While every effort has been made to screen the proof of claims received and collate the list of creditors out of enormous number of claims received, this list may change or get updated.
